## **PRO EM PARTY & EVENT RENTALS ACQUIRES UNIVERSAL RESOURCE SUPPLY, LLC AND SOCAL TENT & EVENTS**

**Phoenix, Ariz.** – PRO EM Party & Event Rentals (PRO EM) has acquired Universal Resource Supply, LLC and SoCal Tents & Events (URS), a Los Angeles-based event rental company. The purchase of URS marks the second acquisition in the last 45 days by PRO EM, which also recently acquired Illinois-based Partytime-HDO Productions in May. Financial terms of the acquisitions will not be announced.

In October 2016, Dos Rios Partners, a Texas-based private equity firm, recapitalized PRO EM. Following the recapitalization, PRO EM immediately began pursuing synergistic acquisition opportunities in other markets. The acquisitions of URS and Partytime-HDO Productions expand PRO EM’s footprint of operations and menu of services while also increasing product inventory and offsetting seasonality.

“The acquisition of URS is another exciting milestone for us,” said Brady Castro, President and Chief Executive Officer of PRO EM. “I have known URS CEO Richard Martin personally and professionally for years, and he is one of the most well-respected professionals in our industry. The acquisition of URS brings with it complementary inventory, great people, a reputation for excellence and a California base of operations to complement our existing locations in Arizona and Illinois.”

Established in August 2007, URS is a nationwide event rental company specializing in major event planning and execution. Current and recent Universal Resource Supply event partners include: McDonalds, the MGM Grand Hotel, Olympics (Winter and Summer), USGA, the Susan G. Komen Foundation, the American Cancer Society, US Open Tennis, NASCAR, Microsoft, IBM, the Grammys, the Oscars, and the Super Bowl, among others.

PRO EM will continue to operate URS offices in Los Angeles, and all URS employees will remain with the company. Current URS CEO Richard Martin, a 27-year industry veteran, will remain with PRO EM Party & Event Rentals, serving as Principal with his primary focus on the current URS operations.

“Richard Martin and the entire URS team bring tremendous value to PRO EM and Partytime-HDO with additional expertise, territories and markets that complement the excellence already in place – the addition of the entire URS team enhances our stakeholders' value immediately. We are excited about the new organization and what it has to offer in the marketplace,” said Kevin Benoit, Partner, Dos Rios Partners.

“This is an exciting moment for the entire URS family to be joining the PRO EM organization – a team I have known, respected, and worked alongside for many years,” said Richard Martin. “I am proud to rejoin

PRO EM in this new era, and I am looking forward to the great things we can do together for our customers and employees.”
